"IT'S A BOY AND EIGHT GIRLS" Candy seems to be telling one of her canine friends over the phone. The 7-year-old fox terrier and collie is owned by Dale Finley of 3111 W. 186th st. This is Candy's fifth litter and brings the total up to 40 puppies.

Mr. and Mrs. Richard W. Ormsby, of 21144 S. Broadwell Ave., announce the birth of a daughter, Patricia Louise, weighing 8 pounds and 12 ounces.

Pumping Of Water Here Cut Sharply

In order to keep underground water from reaching dangerously low levels, pumping of water in this area is being voluntarily reduced by 18,000-acre feet during the current fiscal year, according to the West Basin Water association.

Carl Fossette, association secretary, said pumping by 45 agencies, municipal and private, in the west basin is expected to total 54,200 acre-feet during the current period.

In 1953-54, pumping by the agencies totaled 72,900 acre-feet and the previous year it was 78,150 acre-feet.

The agreement to cut back water pumping to what it was in 1949 was reached early this year as a conservation measure. Additional water, brought from the Colorado river by the Metropolitan Water District, will make up for the reduced use of underground water here.

The west basin includes all cities may be obtained at the door, most all the cities of the South Bay area, including Torrance.

McMaster Park Midgets In Four-Way League Tie

The McMaster Park Midget League drew into a neat 4-way tie last Monday, when the No. Torrance Teddy Bears came back after a losing streak, to bite victory from the Crenshaw T Bones.

Bob Calvert was the losing hurler for the T-Bones, while Jack Tarney went the distance for the Teddy Bears and got credit for the win.

The final score was No. Torrance Teddy Bears, 8, and the Crenshaw T Bones, 3.

Wildcats Nab Tight Victory

The Waleria Park Wildcats, behind the three-hit pitching of Bob Sumpter, came from a 6-0 deficit in the last inning to eke out a 7-6 win over the McMaster Park nine last Monday, July 25, at Waleria Park.

Gil Garnica had a no-hitter going until he tired in the last inning. Home runs were hit by Rubin Garnica and Bill Anthony.

The second game saw the two McMaster teams battling it out to a 4 to 0 score with the Hamburgers defeating the Hot Dogs.

Bill Morris was the winning pitcher with a no hit no run game to his credit. He racked up 14 strike-outs and walked only one man.

Bill Morris and Ricky Jacobs were the hitters for the Hamburgers. The losing pitcher was Gary Little of the Hot Dogs.

The game was highlighted by the new caps and shirts donated by the Manor Barber Shop for three of the teams in the McMaster Midget League.

Picnic Scheduled

Nearly 700 Southern California Gas Company employees and their families will gather this Saturday at the Montebello stadium for their annual combined tri-division picnic.

Stan Ellis In National Net Tournery

Stan Ellis, son of Mrs. Winona Ellis, director of the California Employment Service in Torrance, left this week for Kalamazoo, Mich., to participate in the national juniors and boys tennis championship tournament. He will play in the juniors division, which is for players between 15 and 18 years of age.

Stan left for Michigan directly from LaJolla where he won three cups in the preliminary championship games. At LaJolla he won the singles, and with his partner, Forrest Stewart, copped first place in the doubles matches. He was named runner-up in the mixed doubles.

A member of the Manhattan Beach Tennis Club, Stan is enrolled at El Camino, where he is studying to become a plant pathologist. He will return to his home in Hermosa Beach on Sunday following the end of the tourney, his mother reported.

PROTECT YOUR LIFE WITH A COMPLETE PHYSICAL and X-RAY EXAMINATION IF YOU ARE

SICK or SUFFERING

FROM: • SKIN DISORDERS • LIVER DISTURBANCES • HEART TROUBLE • GASTRO-INTESTINAL DISORDERS • GAS • BLOAT • ARTHRITIS

LIFE DEATH

CAN BE PROTECTED BY A THOROUGH PHYSICAL EXAMINATION

OFTEN IS DUE TO NEGLIGENCE OF YOUR PHYSICAL CONDITION

YOU WANT THE FACTS — NOT GUESS WORK

Dr. Daniel Colin Munro, M.D., says:

"I have never seen a case where a long series of enemas or irrigation failed to improve later bowel activity. I believe that the chief value of this therapy, however, is not in simply emptying the colon, but in cleansing degenerated and infected areas in the bowel wall, which are more or less common to adults, areas through which infection and toxins enter the lymphatics and blood stream, carrying disease to our heart, liver, kidneys and other organs."

FREE CONSULTATION

NO APPOINTMENT NECESSARY

\$3.00 Complete Physical Examination **\$3.00** No Guess-Work—Know the Facts

Our examination includes complete X-Ray Fluoroscopic study, including the Sinuses of the Head, Nose, Throat and Respiratory tracts, Blood Pressure, Heart, Kidneys, Prostate, Liver and Gall Bladder and Urine Examination.
